STABILITY CERTIFICATE

To Whomsoever It May Concern,

This is to certify that I have inspected the school building, "SAI RAM VIDYALAYA" affiliated to CBSE No.2930010 dt.19.09.2013, (Managed by **Sapthagiri Educational Trust**, Chennai-17) located at Villianur Koodapakkam Main Road, Ulavaikkal, Puducherry-605 502. The inspection was carried out on 4th March 2025, and based on the study of the available records produced by the management, the structural adequacy of the members was examined.

After a thorough assessment, it is confirmed that the structure remains safe and sound against gravity loads, wind loads, and their combinations. The building continues to exhibit structural stability with no visible signs of distress or deterioration under the limitations of its original design.

It is recommended that no vertical expansion beyond the existing three-storeyed structure (Ground floor + two floors) should be undertaken, as the building was designed to support only the current load.

Based on the findings, I hereby certify that the school building is structurally stable and safe for occupancy. This certificate shall remain valid for a period of 3 years from 15.03.2025 to 14.03.2028.
